... And another half term has passed! How quickly time, and the school year is moving by! The children have worked so hard in the last fortnight, particularly this week with our 'Around the World' theme. Who knew you could fly to Madagascar, Canada and China on the same day? The stamps in their passport should give you an opportunity to discuss their travels. And of course, we cannot forget the amazing experience of meeting an Olympic sprinter!

Our value this half term is:

**RESPONSIBILITY**

We sadly say good-bye to Mrs Turner from Reception class today. Mrs Turner has been with us a short time, but we will miss her. Best of luck in your new job!

We have appointed a new teaching assistant who will start in June, and has been in this week, meeting with Mrs de Souza and the children. We will be welcoming Mrs Martha Rees to our team.

### IMPORTANT INFORMATION

As of Monday 5th June, fidget spinners will not be allowed in school. Fidget toys are a tool for those children with specific difficulties to focus their concentration, but many are in school as 'Toys'.

Please note the dates section on the back of this newsletter. Dates and events in **BOLD** are where you are welcome to join us.

As the Summer months are arriving, we ask that children are prepared for whatever the weather may send in our direction! Please can your child have with them a named sun hat and, if you desire, a named sunscreen. Clearly, drinking water is available within school but equally a named water bottle will help during the extra hot weather. We can all suffer by not drinking enough fluids, and children have less water reserves than us adults!

### Pupils have raised an amazing £1,314!

On Tuesday, GB paralympian Souleyman Bah, who is the current Paralympic School Games record holder in the 100m, visited our school. He shared his sporting journey with pupils and staff. Each class then took part in a fitness workshop as part of their fundraising. Thank you to everyone for making this event a great success. The money raised will go towards sports equipment in our school and supporting GB athletes. Sponsor forms have been sent away and prizes will be given out the first week back after half term.

Thank you for your support, Mr Cunningham

Please do remember that **class teachers are the first port of call** with issues regarding your child. They can be seen, by prior arrangements, at a mutually convenient time.

If you would like to come in and talk to a member of the Senior Leadership Team please ask the office staff to book you a time. Please note, it is also possible to ask for a telephone discussion if this is more convenient.
